

## **PLAYER SELECTION PROCESS**

### **BOYS**

**Season 2010**

**For Sanctioned Little League Tournament Teams  
(Boys 9 & 10 year old)**

- 1. BCB is planning on having two (2) ten year old teams in 2010.**
- 2. On or before June 7, each 9&10 year old player will vote for the twenty (20) players from their entire division they feel should be on the 10 year old team. The votes will be tabulated by any two of the following individuals: The League President, Division Vice President and the Player agent. The player votes will then be weighted based on the player receiving the most votes and down to number 20. If more than one player ties for the 20<sup>th</sup> position, they each will receive one point. (Note, Players cannot vote for players on your team).**
- 3. The minor and major managers will meet and discuss the players they feel should be selected to the tournament team. Each manager will rank the top 20 players in the age division in the order of their ability. This ranking will then be weighted to determine the top 20 players.**
- 4. The weighted votes of the players and the managers will be combined to determine the total votes for the top 20 players with will be on the all star team.**
- 5. If there is a tie on the final votes after all players and managers vote, both players go on the team.**
- 6. The two all star managers of the 9&10 year old teams will each pick 10 players from the list of 20. The selection will be done in alternating fashion with the first pick determined by a coin toss. Managers will make every effort to be sure each team has adequate pitching and catchers,**
- 7. The elected manager may choose a remaining player to fill his roster (12 - 13 players – managers choice) based on team needs and pitching. These selections are subject to the approval of the division player agent.**
- 8. The tournament teams will be posted no sooner than June 15<sup>th</sup>.**
