

The Perfect Game

Dear Little League Fans,

Now that the excitement of the new baseball season is upon us and most of you are in full swing with your game schedules, we in Williamsport are equally pleased to encourage you and your teams to see a wonderful movie called *The Perfect Game*.

The movie opened last weekend in limited release and audiences loved it. As some of you may recall, we screened the movie at the International Congress in Lexington, Ky., to more than 1,000 attendees and the response was the same. Not only is it an exciting and entertaining movie, it represents the positive values we all try to instill in our boys and girls who play Little League: sportsmanship, teamwork, hard work, and following your dreams.

However, the movie needs our help. Without it, the movie may not last in theaters much longer. It would be a shame for *The Perfect Game* not to receive the support it deserves, as it is a wonderful movie that the entire family will enjoy.

Please get the word out and go see the movie this weekend. Suggest to your managers and coaches to use the movie as a fun way to teach their players the values we encourage on the field, and organize a trip to the movie for the entire team. After the movie, let friends and family know how much you liked it.

At this link <http://www.littleleague.org/media/TheatersShowingThePerfectGame.htm> please find a list of theaters playing the movie. If the movie isn't playing in your area, call your local theater and ask them to play it.

Please support the film by seeing it this weekend. You'll be glad you did!

Sincerely,

Little League International
