3. Lindsay's Law - Sudden Cardiac Arrest - *Required For All Managers/Coaches*

What is Sudden Cardiac Arrest? A Sudden Cardiac Arrest (SCA) occurs when the heart suddenly and unexpectedly stops beating, cutting off blood flow to the brain and other vital organs. Sudden cardiac arrest is fatal if not treated immediately, most often by a defibrillator. **Who is Lindsay?** Senate Bill 252 is named for national heart health advocate and former Miss Ohio Lindsay Davis who suffers from a heart condition and has since dedicated her career to raising awareness of this potentially fatal condition.

Lindsay's Law, Ohio Revised Code [3313.5310](#), [3707.58](#) and [3707.59](#) went into effect in 2017 and is required for all youth coaches. In accordance with this law, the Ohio Department of Health, the Ohio Department of Education, the Ohio High School Athletic Association, the Ohio Chapter of the American College of Cardiology and other stakeholders jointly developed guidelines and other relevant materials to inform and educate students and youth athletes participating in or desiring to participate in an athletic activity, their parents, and their coaches about the nature and warning signs of sudden cardiac arrest. **NOTE: Sudden Cardiac Arrest training is required by Ohio law for all coaches every year.**

This course will take about 20 minutes.
